Specification	
<b>Vinification</b>	The best grapes are hand picked and collected in small crates and left to raisin in order to achieve a high concentration of sugar, extracts, aromas and glycerine. Raising of the grapes lasts 4-5 months followed by traditional skin fermentation and 4-5 weeks maceration. The wine is aged in French oak barriques for 12-24 months, depending on the vintage, following by a short time in stainless steel vats.

<b>Producer Overview</b>	Gaetano Zeni, referred to as Nino by everyone, was the real innovator of the modern era of the winery: a number of small and big changes initiated by him lifted the winery to its level of today. It was Nino who decided to move the production in the 1950s from the small winery in the historic centre of Bardolino to its present location, with more space and improved practicality, in the hills above the village with a spectacular view of Lake Garda. <b>Read more online</b>
