Produced from parcels of vines, 80% of which are situated in Puligny and 20% in Meursault and aged for 12 months in 350 litre barrels.

**Tasting Notes:**

This tastes like Puligny with a dose of Meursault richness! Ripe and honeyed on the nose, the palate is open, buttery and creamy and packed with sun-filled fruits. The acidity is firm and steely which instils a great balance to the wine. This is so well constructed, voluptuous with a tiny hint of liquorice on the finish.

Given the combination of exceptional vineyards, an excellent vintage, and the brothers' attention to details in the vines and in the cellar, the first release of the Domaine's Puligny wines received immediate recognition both locally as well as internationally. The seat of the domaine is situated in Dezize-lès-Maranges, just southwest of Santenay. No herbicides are used in the vineyards and regular ploughing of the rows is carried out to manage weeds.
