## Cherry Heering Liqueur

---

**Price** £30.49  
**Code** HEER001

The pinicle of cherry brandies, made to a recipe dating from 1818 and matured for 3 years before bottling.

---

**Tasting Notes:**

Intense, pungent aromas of sour cherries and coriander, with hints of marzipan. The palate has a syrup like texture, best described as liquid Cherry Bakewell. The spicy notes from the nose are noticeably absent initially. Intense cherry flavours slowly dissolve leaving a subtly spicy finish, reminiscent of cloves.
