## Specification

**Vinification** The crisp white is a blend of several traditional white Port grapes such as Malvasia, Codega, Rabigato and Viosinho. The grapes are selected in the vineyard, and hand harvested in the cool of the mornings in small baskets. There is an element of whole bunch and destemmed fruit, pneumatically pressed with the free run juice fermented separately, all in stainless steel vats. After a long slow ferment at a low temperature, the wine is racked into clean tank and aged on fine lees for several months, before bottling.

It tastes of greengages and nectarines – try it with nectarine, feta and rocket salad. If you order only one wine from my summer drinking list, make it this one." Wine Merchant Top 100, 2024: "Bright and exotic fruit, with a little green twinkle – it would really work with some oily fish." Robert Parker/The Wine Advocate 2018: 84/100 points. The Wine Enthusiast 2018: 88/100 points. Wine Spectator 2018: 87/100 points. Jamie Goode, Wine Anorak, 2022. "Codega is the variety here. [Read more online](#)
