

HOUSE OF TOWNEND

Côtes du Rhône Villages, Les Arbouzes

Price	£13.49
Code	COTE090

A very concentrated, fruit laden red Rhône, with all the cracked black pepper spice, warmth and generous structure you could wish for. Charming with a lovely minerality and very intense black fruits give a sumptuous feel to the wine. If you decant it for an hour it's brooding richness seems to grow in the glass.

Tasting Notes:

Produced by winemaker Marc Thomas who is meticulous in using the different appropriate vinification methods available for each different parcel of Grenache, Syrah and Carignan vines. A lovely fruit packed wine.

HOUSE OF TOWNEND

Specification

Vinification	A wine of great breeding and complexity, a blend of Grenache Noir, Syrah, Carignan and a little Mourvedre, all hand picked using the same family team year after year. Fermented on skins in tank with an extended maceration to capture the sweetness and ripe tannins - with a small proportion benefiting from some wood contact, as well as numerous pump-overs prior to blending together and ageing further in tank before filtration and bottling.
