A kaleidoscope of grapiness, produced exclusively from hand harvested grapes in predominantly clay and limestone vineyards, from a dozen of the most favored localities in and around Riquewihr. Gentil "Hugel" allies the suave, spicy flavour of Gewurztraminer, the body of Pinot Gris, the finesse of Riesling, the grapiness of Muscat and the refreshing character of both Pinot Blanc and Sylvaner.

Tasting Notes:

Youthful colour, lively, bright, crystal-clear, fresh pale green with silver hints and elegant silkiness. Fresh, open bouquet, a frank and expressively aromatic perfume of fruit and flowers, cardamom, lemon balm, rose, jasmine, freesia, lime and cherry blossom, lychee, pear, cleanly defined and subtly spicy.

Specification

Vinification A kaleidoscope of grappiness, produced exclusively from hand harvested grapes in predominantly clay and limestone vineyards, from a dozen of the most favored localities in and around Riquewihr. A cool and long growing season gives this unique dry wine great finesse and unequalled drinkability. The grapes are taken in small tubs to the presses, which are filled by gravity, without any pumping or other mechanical intervention. After pressing, the must is decanted for a few hours, then fermented in temperature-controlled barrels or vats (at 18 to 24°C). The wine is racked just once, before natural clarification during the course of the winter. The following spring, the wine is lightly filtered just before bottling, and the bottles are then aged in our cellars until released for sale. The whole production of this wine is closed with DIAM the cork without the risk of cork taint.
