Lakes Distillery Gin

Price £37.49
Code THEO270

Following the philosophy of less is more, The Lakes Distillery's whiskymaker, Dhavall Gandhi, has recreated The Lakes Gin using only a select few botanicals that are also the preferred choice of perfumers and chefs seeking to create the perfect aroma and taste experiences.

Tasting Notes:

A classic English gin with vibrant notes of juniper, cracked black pepper and orange peel. The palate is extremely smooth and packed full of flavour.
