| Price | £36.99  |
| Code  | NORD001 |

Nordés is a Galician gin inspired by the eponymous fresh northerly Atlantic wind. Made using pomace from Albarino grapes, the botanicals include juniper, ginger, hibiscus and liquorice. The result is a very unique and intriguing gin!

### Tasting Notes:

Delicate aromas of white flowers, eucalyptus, liquorice, ginger and lemon. Medium density, delicious juniper and fresh citrus aromas on a floral background.
