<b>Press Comments</b>	Joanna Simon, Wine of the Week, September 2024: "I could argue the case for this being a summer, winter, spring or autumn wine. It's just one of those red wines that seems to suit all seasons. It's appealingly full and generous in style, but not remotely hefty, and brings waves of elegant energy and freshness to rich cherry and blackberry fruit and notes of spices, herbs, liquorice, black tapenade and chocolate."
