

# HOUSE OF TOWNEND

---

## Primitivo Salento Amanti

---

**Price** £11.75  
**Code** AMAN010

Wow - if you like lush, ripe and generous reds with a kick of spice and a lot of depth then this is the wine for you. Wonderfully appealing, lush, generous and soothingly warm on the palate.

---

### Tasting Notes:

Sun soaked damsons and blackberries deliver a fruit filled palate with soft tannins to reach a delicious finish. An array of mulling spices gives an impression of winter warmth, but this cracking red is just as at home in the summer with a BBQ.

# HOUSE OF TOWNEND

## Specification

**Vinification** The grapes for this wine are grown on high wire trellising, on broken limestone and marl soils in the warmth of Puglia, one of Italy's largest wine producing regions situated on the heel of Italy's boot. The grapes are picked in the early morning to keep freshness and avoid early oxidation. A warm ferment at 22 degrees gives youthful dark colour and ripe tannins, with sweetness and rich jammy fruit very evident. Maceration is long and sustained, and there is a small percentage of the wine aged in large oak casks, which is then blended back into the larger tank aged portion - this adds complexity and vanilla notes.

**ABV** 13%

**Size** 75cl

**Drinking Window** Drink now

**Country** Italy

**Region** Puglia
