Planted exclusively with Pinot Noir grapes from the renowned Burgundian clone 667, sourced from Morey-Saint-Denis, the vines thrive on south-facing slopes with loam and clay-rich soils, providing exceptional structure and depth. With only 2,500 bottles produced, each individually numbered, this rare release is truly a collector's gem! This is the debut release in the range with only 2,500 bottles produced with each bottle having an individual bottling number, highlighting just how rare it is and making every bottle extra special.

Tasting Notes:

This is a wine that is both rich and beautifully balanced, with enticing aromas of ripe peach, baked apples, and honeysuckle, complemented by delicate notes of toasted almonds from the generous bottle ageing. Fine bubbles and a silky texture lead to a long, lingering finish.
